- “Top Set” – iOS social fitness application created as final project in iOS III course at MU
- “COVID-Track” – Web app using React and a COVID-19 API to display data about the virus
- “HeavyLog” – workout companion application built using Java for the Android platform

## WORK EXPERIENCE

### Enterprise Rent-A-Car

*Software Engineer Intern*

St. Louis, MO  
May 2019 – August 2019

- Worked within the Configuration and Application Lifecycle Management (CALM) department
- Developed a Jenkins shared library to help application teams throughout the company improve the build and deployment process for their team’s apps
- Researched and experimented with declarative syntax, a format the department was wanting to eventually move future projects to
- Used Git version control and worked with an Agile team on a daily basis
- Worked with the Mobile Apps, Product Innovation, and Automated Testing teams through shadowing

### Freelance Web Developer

*Web Developer*

Columbia, MO  
May 2018 – August 2018

- Developed a complete, multi-page website for a marketing start-up
- Redesigned my fraternity chapter’s website with a focus on increasing exposure for new-member recruitment
- Redesigned and updated existing pages as well as added additional functionality and content for both sites

### St. Charles Parks and Recreation

*Summer Camp Counselor*

St. Charles, MO  
May 2015 – August 2018

- Plan and execute activities for kids ages 6-14, as well as organize and supervise the children in recreational programs
- Responsible for the safety and well-being of over 150 children enrolled in the camp
- Provided aid and support to special needs children to provide them an inclusive camp experience

## LEADERSHIP & ACTIVITIES

### Phi Delta Theta Fraternity

*Re-Founding Father & Warden*

Columbia, MO  
September 2016 – May 2020

- Held position of Warden during the 2018 calendar year and served as the head of standards, expectations, and excellence for the chapter
- Served on the Executive Board to make guiding decisions for a chapter of over 150 members
- Aided in our chapter achieving 1st place out of 30 in fraternity grades through my standards and expectations position
- Previously held positions of Chaplain in 2017, Homecoming Liaison in 2017, Greek Week Director in 2018 & 2020, and currently serve as Awards Chair and Bylaws Chair

### Camp Kesem Mizzou

*Operations Coordinator*

Columbia, MO  
August 2018 – Present

- Serve on the Coordinator’s Board to plan and execute two weeks of summer camp servicing over 120 children
- Develop estimated budget for camp and update forecasts on a regular basis in conjunction with the treasurer
- Responsible for all camp planning including daily activities, campsite selection, transportation coordination and all other day-to-day camp related activities
